P.O. Box 3946
Greenwood Village, CO 80155

Dear Business Owner:

Currently over 30,000 students are being served by Speech-Language Pathologists in the public schools in Colorado. The Metro Speech-Language Network is comprised of Speech-Language Pathologists from each school district in the Metro Denver area. Our mission is to provide support and professional development to public school Speech-Language Pathologists in the form of an annual symposium. Speech-Language Pathologists from all over the state attend and earn continuing education credit. We expect approximately 600 Speech-Language Pathologists and graduate students to attend this year's conference.

We are a non-profit organization and conduct a silent auction each year. We rely on contributions and donations of products in order to accomplish this monumental task. Please consider donating funds, services, gift certificates or products for this worthy endeavor. All contributions are tax deductible.

Your consideration of this matter would be greatly appreciated. Please accept our sincere thanks in helping to enhance the professional development of public school Speech-Language Pathologists.

Sincerely,

Kathy Howell
Laurie Boticke
The Metro Speech-Language Network
